

INFORMAZIONI TECNICHE/TECHNICAL INFORMATION

Struttura/Frame

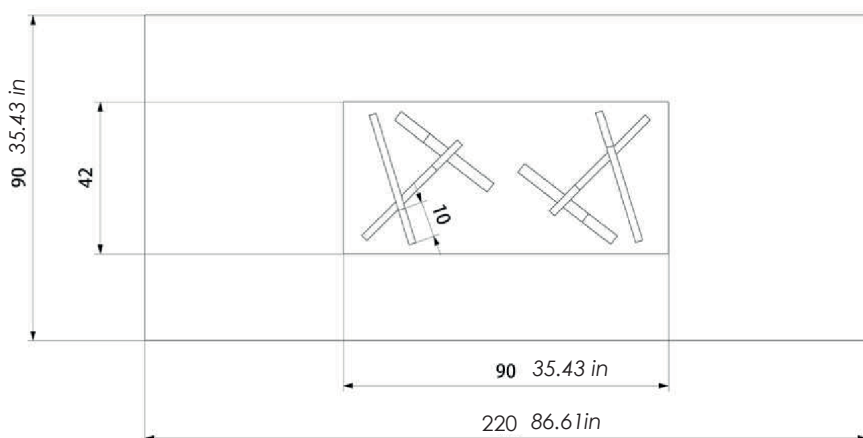

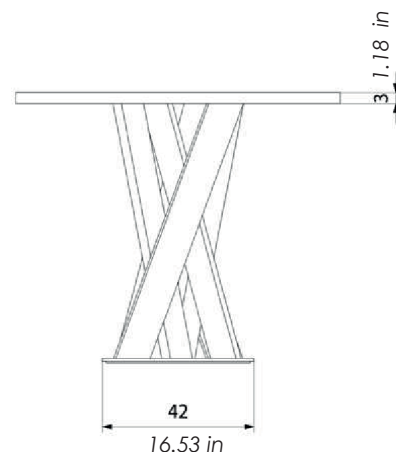

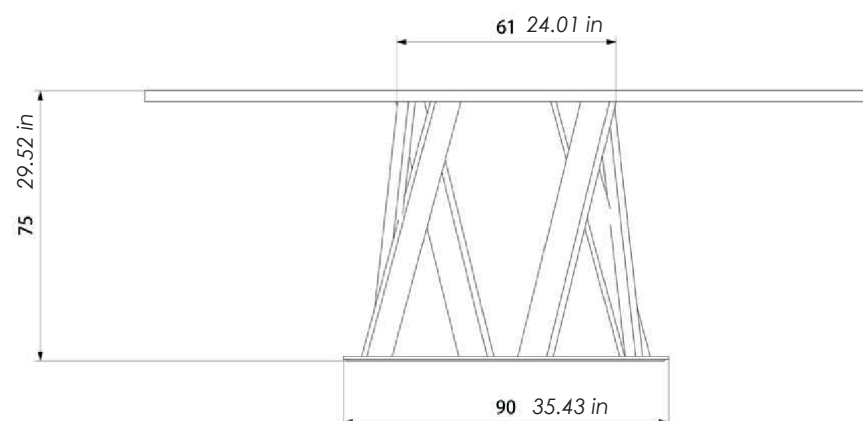

La base e le gambe di Tree sono in acciaio tagliato laser. L'impiego di un unico materiale, l'acciaio, ha il fine di rendere questo componente riciclabile all'infinito. Le verniciature sono realizzate a polveri epossidiche mentre la finitura brunita è ottenuta attraverso un processo galvanico. The base and legs are in laser cut steel. The use of a single material, steel indeed, has the aim of making this component infinitely recyclable. Paintings are made with epoxy powders while the burnished finish is obtained through a galvanic process.

Ripiano/Top

Le combinazioni di piano sono svariate: legno massello, piano impiallacciato o al vetro ceramificato. The top combinations are many: solid wood, to the veneered top or ceramic glass.

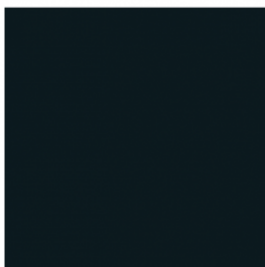

Dimensioni/Dimensions

180 x 90cm - 220 x 90cm - 220 x 100cm - 250 x 100cm
70.86 x 35.43in - 86.61 x 35.43in - 86.61 x 39.37in - 98.42 x 39.37in
